

Fruitport Community Schools Return to Learn and Continuity of Services Plan 2022-2023; 2023-2024

Fruitport Community Schools will continue to prioritize full, in-person teaching and learning which provides the greatest benefit to students. Ensuring that this can happen both consistently and safely during the upcoming school year, the 2022-2023 Return to Learn Plan provides detailed guidance to ensure that COVID-19 prevention and mitigation measures are implemented in a way that fosters optimal learning environments while simultaneously ensuring the health and safety for students and staff in Muskegon County. This plan was collaboratively developed by Fruitport Community Schools with support and guidance from the Public Health of Muskegon County Department to ensure that our school district has a detailed plan for a successful and safe return to school and learning environment.

Please Note: This plan may change and evolve as knowledge changes surrounding current and potential variants or if the risks of severe disease, hospitalizations, or death increase. The plan may also need to vary based on in-school COVID-19 activity and outbreaks. If such changes are necessary, transition time may be needed to allow the district or building to make adjustments to mitigation strategies. Periodically, but not more than every six months during the life of the grant, the plan will be reviewed and updates will be completed, if deemed necessary.

Plan of Review, Updates, and Reconfirmation:

- September 19, 2022: Goal reporting, public plan review, including public review of funding for learning loss.
- October 17, 2022: Board of Education meeting and public plan review
- February 20, 2023: Board of Education meeting and public plan review, goal reporting, and plan reconfirmation
- June 26, 2023: Board of Education meeting and public plan review, end of year goal reporting, and plan reconfirmation
- September 11, 2023: Board Student Affairs Committee meeting and public plan review
- September 18, 2023: Board of Education meeting and public plan review and reconfirmation
- February 19, 2024: Board of Education meeting and public plan review, goal reporting, and plan reconfirmation

The CDC will determine the COVID-19 community level for the county. Based on the community COVID-19 level, as determined by the CDC, Fruitport Community Schools, in consultation with MDHHS and Public Health of Muskegon County, as necessary, will determine the number of mitigation strategies to implement to foster optimal learning environments while simultaneously ensuring the health and safety of students and staff.

The District will comply with any and all local, state, and federal mandates/orders.

The following plan outlines measures for the CDC COVID-19 Community Levels of low, medium, and high.
The levels do not apply in situations of COVID-19 outbreaks in schools, classrooms, or athletics.

Recommended Prevention/Mitigation Strategies:

LOW	MEDIUM	HIGH
INSTRUCTIONAL FORMAT		
In-person instruction will occur.	In-person instruction will occur.	In-person instruction will occur, but some classes, grades, or buildings may be moved temporarily to remote instruction if recommended by the health department due to outbreaks and to control in-school spread.

HEALTH SCREENING

Parents/guardians should conduct a daily student wellness check prior to sending students to school.

DO NOT SEND STUDENTS TO SCHOOL IF THEY ARE SICK.

See the student illness section.

STUDENT ILLNESS

Parents/Guardians are not to send children to school who display symptoms of a communicable disease per the Public Health Code and MDHHS guidance found in the referenced Managing Communicable Diseases in Schools document. Students exhibiting the following symptoms that are new or different/worse from their baseline of any chronic illness shall remain home or excluded from school or excluded from school until the student is symptom-free for 24 hours without the aid of medication or as indicated for their illness.

- Severely ill (lethargic or less responsive, has difficulty breathing)
- Fever (temp over 100.4) or feeling feverish/chills
- Cough, shortness of breath
- Sore throat
- Runny or stuffy nose (congestion)
- Muscle or body aches
- Headaches
- Fatigue (tiredness)
- Vomiting (two or more times)
- Diarrhea (two or more loose or watery stools)
- Abdominal pain
- Rash with fever
- Wearing skin sores that cannot be covered
- New loss of taste or smell

TRANSPORTATION

Normal transportation operations will occur.

Normal transportation operations will occur.

Normal transportation operations will occur. Additional health and safety protocols may be put in place as deemed appropriate.

VACCINATIONS

The District is not requiring staff or students to be vaccinated. Public Health of Muskegon County, MDHHS, and CDC recommend COVID-19 vaccination as the leading public health prevention strategy to end the COVID-19 pandemic as well as keep schools, extracurricular activities, and sports safely operational and in person.
